

Wildfire Evacuation Checklist

Prepare yourself for a safe & quick evacuation in the event of a wildfire

Prepare In Advance

Plan Ahead

- Coordinate and communicate plans with family and neighbors
- Prepare and pack food, water, leash, and any other pet supplies
- Take inventory of entire home (take pictures of each room and around exterior)
- Pack last minute items you may want (heirlooms, photo albums, computers, etc.)
- Know your local radio stations
- Keep car filled with gas or charged
- Park facing outwards, keys in ignition
- Have Go Bag already in car
- Know your potential driving routes
- Connect garden hoses to faucets and set nozzles to spray position
- Leave a ladder leaned against the house
- If possible, cover exterior openings with plywood
- Fill extra trash cans and buckets with water and leave around property where easily found

Pack A Go Bag

- Flashlight/headlamp with spare batteries
- Map with highlighted route options
- Water & Food
- Important Documents (Passport, ID, Insurance)
- Emergency Blanket
- Portable Radio (charged) & batteries
- Sturdy shoes & socks
- Emergency Whistle
- Change of clothing (cotton/wool are best)
- Bandana/Mask/Respirator & Gloves
- Wallet, Keys, Cash & Credit Card(s)
- Phone & Charger
- First Aid Kit
- Prescription Meds & Glasses/Contacts

If You Have Time

- Shut all doors, raise all shades, turn on all lights inside and out, turn off A/C and fans, close attic vents
- Move furniture away from walls
- Close garage door, but leave unlocked
- Turn off gas or propane utilities
- Grab pets, carriers, and pet food
- Grab extra prescriptions/medical devices
- Check on neighbors & offer help if possible
- Put on boots and wool or cotton clothes
